PARENT NEWS
OCTOBER 2022

-BUZZWORTHY-

We're going to the Pumpkin Patch!

We have a field trip planned on Friday, Oct 21st to visit Sandy Run Farm located at 1092 Brooks Rd, in Purvis! The Caterpillars and Butterflies can attend as long as they have a parent accompany them. The Grasshoppers and Red Robins can have a parent join them, but it is not required. The cost for the trip is $15 per child and will include a tee shirt. The cost for adults is $10. Lunch will be provided for the kids, and we will eat at the pumpkin patch. Please send a water bottle labeled with your child's name for the Grasshoppers and the Robins. Money for your child to participate will be due on Monday, Oct 10.

October is Dyslexia Awareness Month.

Dyslexia makes it difficult for the person to form relationships between letters and the sounds letters make (phonemes). The condition occurs regardless of intellect. Some very successful, smart people have had dyslexia including Thomas Edison and Stephen Spielberg, Although dyslexia brings exceptional gifts, not all dyslexics are successful. It's important if your child shows signs of Dyslexia for you to have them screened early. Visit our news section for more details.
